The Finger Lakes at its Best!

➔ **87 points Wine Spectator**

40-year old vines - one of the oldest Chardonnay vineyards in the Finger Lakes. From this vineyard comes a wine of uncommon complexity that is rare for the price. Aromas of pear and ripe melon lead to a full, round mouth feel, and a delightfully crisp, elegant finish. We serve this wine with creamy cheeses, seafood dishes, chicken or with buttered salty popcorn for a snack.
