

# STANDING STONE VINEYARDS

## DRY RIESLING 2017

Our Dry Riesling is sourced from one of the oldest Riesling vineyards on Seneca Lake, planted in 1972. The combination of vine age and the site's location contribute to a concentrated and ripe presentation. The palate is agile and crisp with round fruit flavors and a textured mouthfeel. This wine has enough structure to age for a number of years to come or can be enjoyed now with herbed roast chicken or pork and root vegetables.
