

STANDING STONE VINEYARDS

DRY ROSÉ 2017

This Saperavi-based rosé strikes the balance between lean, vibrant acidity and a hint of fruit. Saperavi is a Georgian varietal unique for having pigmented pulp. This means that no skin contact is needed to provide the pink color of this dynamic rosé. Sourced from young vines, this wine is light on the palate with a fresh finish. Pair with tangy herbed goat cheese or enjoy as an aperitif.

ABOUT STANDING STONE VINEYARDS

Standing Stone Vineyards is unique in that it combines historic vineyards and an established past with endless prospects and avenues for exploration. The wines we make look to showcase all that this exceptional site has to offer. In order to achieve the purest expression of place, we implement low intervention practices, both in the cellar and in our farming methods and are working to increase biodiversity and ecosystem health and eliminate synthetic inputs.
